

Information about Saraswati Vidyalaya

The Vidyalaya is an English Medium Senior Secondary School for girls. The school campus provides an aesthetic and sophisticated surroundings reminding to Tagore's "Shanti Niketan" an abode of peace & tranquility conducive for proper teaching and learning. It is our constant endeavour to prepare young girls to harness inexhaustible willpower, perseverance and above all a sound character.

1. The school atmosphere is totally secular and congenial where a learner feels at home & expresses itself independently. The school is imparting Education in two streams (1) Commerce (2) Humanities, at senior secondary level. The results of the students in the Board's Examinations have been excellent.
2. Continuing along its aim of "Pursuit of excellence", the school curriculum is so designed & followed as to bring out the hidden talents of its students. Students are encouraged to participate in wide range of cocurricular activities. They are also encouraged to form habits of responsibility and self discipline through an effective House System so as to emerge as good & productive citizens of the society.
3. The school has a rich library and well equipped science labs. The computer lab, has also been upgraded so as to enable the students to explore more & more knowledge through internet.
4. The teaching faculty of the school is highly qualified & well experienced. Workshops & Seminars are organised & attended by the teachers to update their knowledge & sharpen the teaching skills.
5. Now, being an institution of long standing, it has been catering to the evergrowing Educational needs and aspirations of the students under the highly valued guidance of Hony. Secretary of Vidyalaya Mrs. Leela Jain and other distinguished members of Management and has made a distinct place of its own in due course of time.
