SESSION: 2026-27**

SARASWATI VIDYALAYA
SUMMER HOLIDAY HOMEWORK
2026-27
CLASS III

General Instructions:

- * **Read the assignment carefully and understand the instructions given.**
- * **Use reliable sources to gather information.**
- * **Submit your assignment in the first week of July.**
- * **Do your work neatly.**

ENGLISH

A. Word Collection / Collage

Make a collage of new words you learn during the holidays. Collect at least 20 new words. Write each word neatly, its meaning, and use it in a simple sentence.

Add colourful related pictures for each word to make your work more interesting. You may decorate your work creatively and present it neatly in your scrapbook or on a chart paper.

B. Create your own superhero: Draw and paste your superhero on a stick and write:

1. Superhero Name
2. Powers
3. Costume Colours
4. Enemy Name
5. Superhero Catchphrase

Then write 8–10 sentences about your superhero.

HINDI

- 1) पर्यायवाची व वचन बदलो के पांच-पांच चित्र सहित फ्लैश कार्ड बनाइए।
- 2) रंगीन कागज की पट्टियां काटकर बुकमार्क बनाएं। उन पर हिंदी भाषा में कोई भी पांच सुविचार जैसे :- ("विद्या सबसे बड़ा धन है") सुंदर अक्षरों में लिखिए।
- 3) नीचे दी गई मात्राओं को ध्यान में रखते हुए अपनी हिंदी की पाठ्यपुस्तक में से एक-एक मात्रा का प्रयोग करते हुए 10-10 शब्द खोज कर लिखिए।

(अ ,आ ,इ, उ ,ऊ, ए ,ऐ, ओ, औ)

(यह सभी कार्य स्कैपबुक में करना है।)

MATHS

Do any one from 1 and 2

1. Symmetry in Nature

This is a great outdoor activity to learn about reflective symmetry.

Task: Go for a walk in a park or garden. Find 10 items (leaves, butterflies, flowers) that are symmetrical.

Stick the items (if possible) or draw them in a scrapbook. Draw a dotted line (the Axis of Symmetry) through the center of each object to show how both sides are identical.

2. The Weekend Bill

Instructions: Imagine you went to a stationary shop. Look at the price list below and solve the problems.

Item Price

Notebook ₹45

Pack of Pencils ₹20

Geometry Box ₹125

Eraser ₹5

Now answer the following questions:-

Addition: If you buy one Notebook and one Geometry Box, what is the total cost?

Subtraction: You give the shopkeeper a ₹200 note. How much money will you get back?

Multiplication: You need to buy 5 packs of pencils for your friends. How much will that cost in total?

3. Learn and write tables upto 20 in your scrapbook..

EVS

1. Read L5. Plants Around Us, L10. Sources of Food, L 15. We Need Water. Learn and write 10 difficult words with their meanings in your EVS notebook.
2. Grow a plant. Water it everyday. Click pictures with its growth and paste them in your EVS notebook.
3. Make a food collage of healthy using different food wrappers on A3 size sheet.
4. Make Useful item from waste material according to your Roll numbers:

R. no. 1-10- Pen Stand – Make a pen holder using old cardboard boxes, ice cream sticks, or plastic bottles.

R no. 11-20-Flower Vase – Create a decorative vase from a waste plastic bottle or glass jar.

R no. 21-30-Best Out of Waste Photo Frame – Use old newspapers, cardboard, buttons, or shells to decorate a photo frame.

R no. 31 onwards- Bird Feeder – Make a bird feeder using used coconut shells, milk cartons, or plastic bottles. Wall Hanging Craft – Design a wall hanging with old CDs, wool, bangles, or waste paper.

COMPUTER

Make a poster on any one of the following:

- a) Computer - A Machine
- b) Places where computers are used.

ART & CRAFT

1) Make a poster on any one of the given topic on A3 size sheet.:

- Stop Pollution
- Save Animals
- Save electricity

2) Make a tree on A4 size sheet using buttons , wool , pistachio peels, etc.

G.K

1. Read newspapers or watch any news channels. Write 5 headlines daily in notebook (mention date and name of newspaper).
2. Draw the pictures of 7 Wonders of the World and also write 5-10 lines on each in scrap book.

Subject integrated holiday homework

An integrated Class 3 holiday homework (HHW) project combines all subjects around a central theme, such as “Nature and Sustainability.” This makes learning engaging and prevents the workload from feeling overwhelming. Do it in colorful A4 size sheet.

The following multi-disciplinary, integrated project covers English, Math, EVS, and Hindi in a single, cohesive theme.

Theme: “My Green Friend (The Tree)”

Materials Needed: 1 Scrapbook or A4 sheets, sketch pens, craft paper, old magazines, and waste cardboard.

1)English (Language & Literature)

Planet Spark

Task: Create a mini “Tree Booklet”.

Details: Write a 10-line essay or a short poem about the benefits of trees. Include 5 new words you learned, and find their meanings in a dictionary.

Integrated Skill: Cursive writing practice (one page a week).

1)Math (Number Sense & Geometry)

Task: Tree Data Collection.

Details: Visit a park in your neighborhood. Count the number of trees and potted plants you see.

Integrated Skill: Create a drawing of your favorite tree using only 2D shapes (circles, triangles).

3)Environmental Studies (EVS)

Task: The Lifecycle of a Tree.

Details: Draw or paste pictures of the parts of a tree (Roots, Stem, Branches, Leaves, Fruit). Write 2 sentences on why trees are important for animals and humans.

Integrated Skill: List three ways you can do to save water and keep the environment clean. Click pictures of yourself while doing same and paste them on A4 size sheet.

4)Hindi (Vocabulary & Expression)

Task: Tree Poster.

Details: Make a colorful poster on an A4 sheet with the slogan “पेड़ लगाओ, जीवन बचाओ” (Plant trees)

Art, Holiday homework

The holiday homework for Class 3 :1) Drawing and completing a picture of a tree on an A4 chart paper using collage work with colored paper and waste material.

Note:

- 1. Kindly submit one original article, poem or write-up in Hindi or English for the school magazine/journal.**
- 2. All the submitted work will be assessed for Internal Assessment.**
