**A. Comic Strip Creation**

Create an interesting comic strip based on your imagination. Your comic should have 4–6 boxes (panels) and a clear story with a beginning, middle and end. Use dialogues in speech bubbles and add suitable expressions for the characters. You may choose any theme such as adventure, friendship, humour, or a magical story. Draw and colour your comic neatly and give a creative title.

- B. Read a storybook of your choice and draw picture of your favourite character and write about the same in about 100 words.**
- C. Take out the printout of worksheets given do them neatly and paste it in your classwork notebook.**

**HINDI**

- 1) पांच मुहावरों का प्रयोग कर के एक छोटी लघुकथा लिखिए
- 2) (आ,आ,घ,ई,उ,ऊ ए,ऐ,ओ,औ)

ऊपर दी गई मात्राओं को ध्यान में रखते हुए प्रतिदिन एक-एक मात्रा का प्रयोग करते हुए पांच -पांच शब्द अपनी हिंदी की पाठ्यपुस्तक में से खोज कर लिखिए।

- 3) शब्दों का जादुई थैला:- एक पुराने कपड़े के थैले को सजाएं । अखबार या पुरानी किताबों में से हिंदी के 10 शब्द ढूंढ कर कागज पर सुंदर ढंग से अलग-अलग लिखकर चिपकाएं।

**MATHS**

1. Learn and write the tables from 2 to 20 in ruled sheets.
2. Do daily practice of five sums on addition, subtraction, multiplication and division.

For Example :

- (a)  $63,456 + 72,189 = 135645$
- (b)  $98,732 - 34,568 = 64164$
- (c)  $246 \times 35 = 8610$
- (d)  $6864 \div 8 = 858$

Do the worksheets in a separate notebook.

**3. Creative Thinking:**

Do the given tasks as per roll no.

- a) Indian Monuments are known worldwide for its beauty. The monuments are the standing examples of mathematical symmetry. Find any five monuments of India which are symmetrical in design and paste pictures on an A4 sheet. Show lines of symmetry. (ROLL NO. 1 to 20)

- b) My Dream House (Shapes & Measurement Project)

Make a model of your dream house by waste material ( using paper/cardboard) etc . which includes different shapes (square, rectangle, circle, triangle) Label each shape used Measure and write the dimensions of rooms .

(ROLL NO. 21 onwards)

Parameters for Assessment:

Originality of idea (3) , Presentation (2) and Creativity (1)

**EVS**

**1. PLANTATION:**

Grow a small plant in a pot, take care of it, water it everyday, click pictures of its growth and paste it in your scrapbook. Also, draw a poster on 'Importance of trees in our life'.

## 2. BIRD'S BATH

Look for a flat container and place it on the balcony slab or outside your home. Put some pebbles and stones in it to make its base heavy. Pour some fresh water in it every day for the birds, squirrels etc. to drink water from it. Click pictures of it and paste them in your scrapbook.

## 3. CLEANLINESS DRIVE – “OUR SAFETY IS IN OUR HANDS”

Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only, which helps to improve our personality externally and healthy internally.

- It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

Click your pictures taking initiative for the same and paste them in your scrapbook.

## COMPUTER

1. Prepare a chart on the “Computer Devices and its Uses”

or

Prepare “Summer Park Scene” or “National Flag” drawing using MS-Paint

2. Learn Chapter-2-Types of Computer exercise for Class Test.

## ART & CRAFT

1. Make any 2 posters on A3 size sheet –
  - Say No to Plastic
  - Road Safety
  - Save Yamuna
  - Plant more trees
2. Make a toran / door hanging by using wool, beads, paper flowers etc.

## G.K

1. Make an Indian political map on A3 size sheet. Mark and write all the states along with their capitals.
2. Maintain a weekly journal of important national and international news.

### Subject Integrated Project: Visit to a Museum

#### **Question:**

Visit a museum in your city or nearby area. Based on your visit, complete the following activities:

1. **English (Photo Essay):**

Create a photo essay of your museum visit. Paste 4–5 pictures and write a short paragraph (4–5 lines) for each, describing what you saw, learned, and experienced.

2. **Mathematics (Cost Calculation):**

Calculate the total cost of your museum visit. Include:

- Entry ticket price
- Travel expenses
- Food or other expenses

Present the total using proper addition and show your calculations.

3. **Science (Observation):**

Paste pictures of any scientific objects, inventions, or concepts you observed in the museum. Explain any one that you found interesting and what you learned from it.

4. **Art (Creative Work):**

Create a decorative item or model using waste materials inspired by something you saw in the museum. Also, make a drawing related to your visit and decorate your project creatively.

5. **म्यूजियम के किए गए दौरे के अनुभव को एक छोटी कविता के रूप में लिखिए।**

**Note :- This activity should be done on A3 Sheet.**

#### Note:

1. Kindly submit one original article, poem or write-up in Hindi or English for the school magazine/journal.
2. All the submitted work will be assessed for Internal Assessment.
