SOCIAL STUDIES

LET'S PEEP OUTSIDE THE GLOBAL WINDOW:

a. Let's play the ATLAS game (for all the students)

Flip through the pages of the Atlas and find out the following:

S.No.	Country	Capital	Latitude	Longitude	Currency	Flag	Language spoken	Sport	Famous Sports person
1.	GREENLAND								
2.	SAUDI ARABIA								
3.	DEMOCRATIC REPUBLIC OF CONGO								
4.	THE PRAIRIES								

Make this table neatly on an A-4/A-3 size sheet and paste pictures if needed.

*Collect News items from newspapers and magazines and prepare a collage on global warming and climate change.(Use a chart paper)

***Project work:Composting**

With the help of elders at home,start seperating waste into biodegradable fruit and vegetable scraps,egg shell(crushed),tea leaves and non bio-degradable materials(paper,plastic,glass,metal cans).

Collect the non-biodegradable waste ,and give it to local kabariwala(scrap collector)

Empty the biodegradable waste into a bin place out in the open.Top each layer of waste with a this layer of dry soil.Stir the pile once in a while.(It will be quite smelly in the beginning).After few days,the waste would have changed into compost –a nutrient-rich soil that can be used as manure for plants.

***Art Integration project on Andaman & Nicobar Islands both sections will do different projects.**

VA-Make a poster inviting tourists to visit Andaman & Nicobar Islands.Give it a catchy slogan.Also list the main tourist attractions of the place. Use colorful and eye-catching pictures.

VB-Make a poster on famous dishes of Andaman & Nicobar Islands. Use colorful and eye-catching pictures.

COMPUTERS

Prepare a chart on the Applications of a computer system
