SUMMER HOLIDAY HOMEWORK

CLASS-V

SESSION: 2026-27

SARASWATI VIDYALAYA
SUMMER HOLIDAY HOMEWORK
2026-27
CLASS-V

ENGLISH

- A. Design and create a diary with a neat and attractive cover page. Imagine that you are an animal (such as an elephant or giraffe). Write at least four diary entries from the animal's point of view. Each entry should include the date, day and describe the animal's daily life, feelings and experiences in the jungle or zoo. Decorate your diary creatively and present it neatly.**
- B. Puppet Show Storytelling**
Read a story of your choice and create a puppet of your favourite character from it and use them to narrate a story to class.
- C. Travel Brochure**
Make a brochure for a place you want to visit. Make it attractive using pictures. Provide information about famous places, food, art and culture of that place.

HINDI

1. प्रकृति बचाओ- पेड़ लगाओ विषय पर एक पोस्टर A4 शीट पर बनाए तथा उससे संबंधित दो कविताएँ लिखकर याद करके कक्षा में सुनाइये।
2. प्रतिदिन एक छोटी कहानी पढ़े और उसमें आए दस नए शब्द अर्थों के साथ हिंदी गृहकार्य कॉपी में लिखे।
3. 21 जून को मनाये जाने वाले 'योग दिवस' के बारे में बताए तथा कोई तीन आसन करते हुए अपना चित्र चिपकाकर उस आसन के बारे लिखिए।
4. रचनात्मक कार्य (कोई एक करें)
(i) 5 विलोम शब्द का फ्लैश कार्ड बनाए। (ii) संज्ञा व उसके भेद का सुंदर चार्ट बनाइए। (iii) 5 पर्यायवाची शब्द का फ्लैश कार्ड बनाए। (अलग-अलग आकार काटकर सुंदर और चित्रों के साथ)
(यह सभी कार्य अलग कॉपी में करें)

MATHS

- Learn and write the tables from 2 to 20 in ruled sheets.
 - vision. For Example
- a) $2,63,456 + 5,72,189 = 835645$
- (b) $7,98,132 - 4,34,568 = 363564$
- (c) $8,246 \times 235 = 1937810$
- (d) $1,26,864 \div 48 = 2643$

TASK 1 :

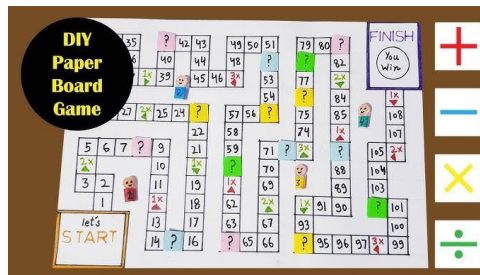

Do the worksheet in a separate notebook.

TASK 2:

Creative Thinking:

Do any one of the tasks given below.

- a) It's time for the summer break, so let's have some fun while learning. Keep your brain active over break without knowing you are doing "homework". Make any one game explaining maths concept. You can make any board game, puzzles, wheels etc.

- b) Let's Explore the Real World – Grocery Shopping Activity

Become a Smart Shopper and help your mother buy groceries from a nearby shop.

- Make a list of items before going to the shop.
- Purchase a few items and carefully observe their prices.
- Paste the bill in your scrapbook.
- Check the total amount by doing the calculations yourself and see if it matches the bill.
- Find out if any discount was given.

Click pictures during your visit (items, shop, or bill) and paste them neatly in scrapbook.

SCIENCE

1. To grow a plant using a monocot/ dicot seed in nearby playground or at home and write a weekly report stating about the number of leaves, colour change, increase in height in scrap book.

2. Vitamin Hunt-

Find foods rich in: Vitamin A, Vitamin B1, Vitamin C and Vitamin D. Make a chart with pictures of major sources of the above vitamins and deficiency disease caused due to their deficiency.

3. Make a working model on any one topic from the following-

- Types of joints
- Types of levers
- Circulatory system
- Use of green energy

4. Revise the lessons taught till now.

- Avoid using single use plastic, instead use cloth bag and cups.
- Keep water and grains for birds on your terrace or balcony.

SOCIAL SCIENCE

1) Be an eco-warrior: What changes can you make in your lifestyle to make it more environment friendly?

* Write an article on Global Warming. You can find out more about Global Warming from the Internet or from books.

Make recycled paper

1. Take old newspapers and magazines. Tear them into small pieces.
2. Take warm water in a bucket and add a little starch to it. Soak the paper in the water for 5-6 hours.
3. Take the paper out of the water and pound it with a mortar and pestle till it becomes soft and fluffy. Add more starch to it to thicken it.
4. Spread this pulp on a fine wire mesh, and press it to squeeze out the excess water. Carefully turn the wire mesh upside down on a smooth surface, and put some weights on it. Let the pulp dry for several hours.

Once it dries up, your hand-made recycled paper is ready! You may not be able to write on the recycled paper, but you can draw on it.

Note: Compulsory for all the students

COMPUTER

1. Prepare a chart on the Applications of a computer system

or

Type one letter or application in MS-Word and format it using formatting tools

2. Learn Chapter-2-Computer Languages exercise for Class Test.
