Chairperson's Message

Mrs. Anuradha Singh

It gives me immense pleasure to witness the continued journey of our school towards excellence, growth, and progress. Each milestone achieved by our students reflects the sincere efforts of the Principal, dedicated teachers, and the entire staff. I extend my heartfelt congratulations to them for upholding the remarkable tradition of 100% CBSE results year after year, along with the excellent Class X results this session. Nothing brings greater joy than seeing our girls grow into confident young individuals and excel in every field. I wish the school continued success and greater heights of excellence in the years to come.

Revisiting Memories, to Reconnect the Bonds First Alumni Meet

The school embarked on another milestone by organising its first Alumni Meet for The Alumnae. The campus came alive as alumnae returned to the school halls that once shaped their dreams and aspirations. The day was filled with fun, frolics, and nostalgia as they reconnected through warm interactions with teachers and friends. Exciting games and engaging activities were organised, and tokens of remembrance were presented to the alumnae, which added colour to the day.

YaRI

The Yamuna River Initiative (YaRI) is a bold and timely educational initiative which aims to cultivate empathy, awareness and stewardship in the next generation by re-establishing their connection with nature, starting with our river YAMUNA. And it has become a part of the CBSE curriculum which was developed by the Modern Initiative for Education (MIE). Five schools are part of this CURRICULUM, in which our school principal Mrs. Shashi Bidawat Garg is one of the members. The school students are sensitizing people to save our source of water 'THE RIVER YAMUNA'. Our special thanks to Mrs. Anshu Pant, Secretary of Modern School Society for giving us this golden opportunity to take initiative to SAVE YAMUNA.
